Subject: Clarification regarding measurement of height under POSHAN Abhiyaan.

Sir/Madam,

Please refer to this Ministry's letter of even No. dated 26.02.2018 forwarding therewith the Administrative Approval and Administrative Guidelines for implementation of POSHAN Abhiyaan (National Nutrition Mission).

2. As per Para 4.2.3.3 of the Administrative Guidelines dated 26.02.2018, there is a provision of recording the weight every month and height every 3 months of all the children at Anganwadi Centre by the Anganwadi Worker through the ICDS-CAS application to track under-nutrition, stunting and wasting.

3. In this regard, it has been decided with the approval of the Competent Authority that now height and weight need to be measured and recorded every month through the ICDS-CAS application. The necessary amendments may also be made in the Incremental Learning Module - 8 and the functionaries may be oriented for the same.

Yours sincerely,
