

NNM/59/2017-CPMU (eFile 44417)
Government of India
Ministry of Women and Child Development
POSHAN Abhiyaan

3rd Floor, Jeevan Vihar building,
Parliament Street, New Delhi
Dated, 30th July 2018

To,

Principal Secretaries/Secretaries of the Department of WCD/Social Welfare of the 36 States/UT

Subject: Procurement of devices under POSHAN Abhiyaan – reg.

Sir/Madam,

Please refer to this Ministry's letter No. NNM/59/2017 dated 17th January, 2018 and letter No. NNM-29/86/2017 dated 09th January, 2018 forwarding therewith the specifications of the Smart Phones and Growth Monitoring Devices (Infantometer, Stadiometer, Weighing Scale-Infant and Weighing Scale-Mother and Child) (copy enclosed). The specifications are also available on the POSHAN Abhiyaan website at <https://www.icds-wcd.nic.in/nnm/home.htm> under the link procurement.

2. In order to facilitate the procurement of devices by State/UTs; a separate tab as "**POSHAN Abhiyaan**" has also been created on GeM Portal by the GeM. The tab enables the filtering of devices that meet the minimum specification as defined under the project. In this regard, a D.O. letter of even No. dated 15th June, 2018 (copy enclosed) was also sent to the CEO, GeM with a copy to all the States/UTs to ensure that **only** the devices **meeting the required specifications** are displayed under the POSHAN Abhiyaan tab.

3. The States/UTs are advised to **strictly** adhere to the specifications of these devices provided to them and complete the procurement of all the devices under the POSHAN Abhiyaan immediately through GeM portal.

Yours Sincerely,

Encl: as Above

(Umesh Kumar Motish)

Project Manager, POSHAN Abhiyaan
u.motish@nic.in/ 011- 011-23368202

Copy to

CEO, GeM, Jeevan Tara Building, New Delhi.

F. No. NNM-29/86/2017-WBP
Government of India
Ministry of Women & Child Development

Shastri Bhawan, New Delhi,
Dated the 9th January, 2018

To

The Principal Secretaries/ Secretaries, Department of Social Welfare / Women & Child Development, All States/ UTs of India

Subject: Specifications of Growth Monitoring Devices {Stadiometer, Infantometer, Weighing Scale (Infant) and Weighing Scale (Mother and Child)) under National Nutrition Mission (NNM) – regarding

Sir/Madam,

Please refer to this Ministry's letter of even No. dated 18th December, 2017 vide which administrative approval for setting-up of National Nutrition Mission (NNM) was conveyed to all the States and UTs.

2. One of the key activities under NNM is Information and Communication Technology enabled Real Time Monitoring (ICT-RTM) of Anganwadi Services. To monitor service delivery through ICT, Common Application Software (CAS) and IT-related assistance is to be provided to the field functionaries. All AWWs are to be equipped with a smart phone for capture of data and Lady Supervisors with a tablet. These devices will be procured at State/UT level and pre-loaded with the application software. The specifications of Smart Phones and Tablets will be sent separately.

2. In order to ensure accurate records of weight and height of all beneficiaries which include, pregnant women, lactating mothers, new born babies and children upto 6 years; Growth Monitoring Devices shall be procured for all Aanganwadi Centres (AWCs) under NNM. The Growth Monitoring Devices will include Infantometer, Stadiometer, Weighing Scales (infant) and Weighing Scales (mother & child). AWW will record the weight every month and height/length every 3 months through the software application to track underweight, stunting and wasting.

4. The availability of Growth Monitoring Devices {Infantometer, Stadiometer, Weighing Scale (Mother and Child) and Weighing Scale (Infant)} with the AWCs implementing ICT-RTM is very essential in order to monitor the growth of the beneficiaries and to update the information into the ICDS-CAS application.

5. In this regard, I am directed to forward herewith the specifications of Infantometer, Stadiometer, Weighing Scale (Mother and Child) and Weighing Scale (Infant). These devices have to be procured through Government e-Market Place (GeM).

6. States/UTs are requested to take necessary action for procurement of Growth Monitoring Devices {Infantometer, Stadiometer, Weighing Scale (Mother and Child) and Weighing Scale (Infant)} through GeM.

Yours sincerely,

(Manoj Kumar Singh)

Director

Ph: 23386553

mksingh.ofb@nic.in

Technical Particulars of Infantometer, Stadiometer, Weighing Scale (Infant), Weighing Scale (Mother and Child) to be used under National Nutrition Mission

1. **Infantometer**

Specification:

1. Portable board for measuring length of baby.
2. Designed to measure length of baby in recumbent position.
3. The board shall be firm, flat horizontal surface.
4. Fold-up mechanism and low weight, compact and easy to transport.
5. No part should be loose or shaking during transportation.
6. Simple and fast set up, no tools (screwdriver, etc.) required.
7. Stable connections, assuring precise and accurate measurement.
8. No need for calibration, all parts to be in fixed position.
9. Long lasting, easy to read in low light conditions.
10. Double sided graduation for easy measurements.
11. Orientation of numerals on the measurement scale: parallel to the board.
12. Facilitating quick and easy reading of results.
13. Unit of measure: centimeters.
14. Smallest graduation: 0.1 cm.
15. Precision : (+) or (-) 0.1 cm.
16. Width on the board 30 cm approx.
17. Fixed head board and smoothy moving foot board.
18. Angled edges (curved) to prevent baby from rolling sidelong.
19. No sharp edges or corners.
20. Design for heavy duty use in demanding circumstances.
21. Durable, resistant to effects of excessive humidity and high temperature, water resistant and shock resistant.
22. Board should be made of 6mm (Six millimeter) ABS Plastic.
23. Measurement range: Should be able to measure up to 100 cm at least;
24. Accuracy; (+) or (-) 0.1 cm.

General Condition: All the items/models shall be duly approved by weights and measurement authority. The units offered for the supplies shall be duly calibrated as per the procedure of department of legal metrology.

2. Stadiometer

Specification:

1. Designed to measure height of adult and children aged 24 months and above in vertical positions.
2. Firm flat vertical surface.
3. Fold up mechanism and low weight making it compact and easy to transport.
4. No part should be loose or shaking during transportation.
5. Simple and fast set up, no tool (screw driver etc.) should be required.
6. Stable connection, assuring precise and accurate measurement.
7. No need for calibration as all parts have prefixed position.
8. Double sided graduation for easy measurements.
9. Orientation of numerals on the measurement scale: parallel to the board.
10. Unit of measure: centimeters.
11. Smallest graduation: 0.1 cm.
12. Measurement range: Should be able to measure upto 200cm at least;
13. Accuracy (+) or (-) 0.1 cm.
14. Width/depth of the board: approx. 5.5 cm.
15. Large footplate, providing extra stable base and smoothly gliding measuringslide/wedge.
16. Adjustable feet for stability on uneven or soft ground.
17. Sprit level indicator to check flat surface.
18. Friction feature between board and measuring slide/wedge for preventing the latter from drooping when release.
19. No sharp edge or corner.
20. Designed for heavy duty use in demanding circumstances.
21. Durable, resistant to effect of excessive humidity and high temperature, water resistant and shock resistant.
22. Board should be made of Mild Steel (Rust proof)/Aluminum.
23. Precision: (+) or (-) 0.1 cm;

Supplied with:

1. Carry bag or carry case(i) made of long lasting fabric, (ii) zipper closer (iii) removable, adjustable shoulder/back strap(s) and (iv) small side pocket for storage of operating instructions, loose parts and/or stationery material.
2. Instructions for use, training, maintenance and trouble shooting in English, Hindi and any other regional language as per requirement, appropriately illustrated with pictograms.

Packaging:

Packed in a carton box which should be of sturdy quality and provides adequate protection of the goods while transportation.

General Condition: All the items/models shall be duly approved by weights and measurement authority. The units offered for the supplies shall be duly calibrated as per the procedure of department of legal metrology.

3. **Weighing Scale (Infant)**

Specification:

1. Spring type mechanical scale for infants;
2. Measuring range: 0-25kg;
3. Minimum graduation: 100g
4. Reading time in seconds: less than 15 seconds;
5. Readout in kg;
6. Display: Dial diameter between 15 to 20 cm. Easy readable in low light;
7. Easy reset-to-zero function;
8. Damping/stabilizing mechanism for faster reading of results;
9. Fit with 2 hooks, non-removable. Upper for fixation and lower for attaching weighing trouser or sling;
10. Mechanics and other vital parts are made of rust proof materials;
11. Hooks: stainless steel;
12. Dial: plastic (ABS) with Perspex cover;
13. Body: Plastic (ABS)
14. Calibration screw: stainless steel;
15. Body and mechanics should be water proof, shock resistant;
16. Smooth surface;

17. Supplied with water proof & upholstered bag for carrying;
18. User instruction in pictogram style;
19. Each scale should be packed in a carry bag, packed in a carton box;
20. Estimated weight: 1.00 kg (approx.);
21. To be supplied with (a) Sling and (b) Weighing Trousers

a. **SLING (Baby Weighing)**

1. Quality cotton fabric, strong and non-elastic;
2. Square shape, 0.80x 0.80 m, prior to washing;
3. Edges are double seam finished;
4. Easy to iron;
5. Corners can be knotted together to hold baby securely when suspended from the scale;
6. Supply with text and pictorial instructions for usage and maintenance;
7. Bag for carrying and/or storage;
8. Approx. weight: 0.110kg;

(b) Weighing Trousers (Baby Weighing)

1. Trousers: Strong and easy maintenance fabric;
2. With strap for suspension from spring scale;
3. Trousers are able to hold infants up to 25 kg;
4. Carry bag: with shoulder strap, overlapping flap and closure, fits 5 weighing trousers.
5. User instructions on how to position the infant and instruction for washing; both in pictogram style are fixed on trousers and bag.
6. Washable by hand and/or machine;
7. Approx. weight: 0.100 kg;

General Condition: All the items/models shall be duly approved by weights and measurement authority. The units offered for the supplies shall be duly calibrated as per the procedure of department of legal metrology.

4. Weighing Scale (Mother and Child)

Specification:

Electronic weighing scale of class -III accuracy with LCD/LED or VFD display duly certified and stamped by weight and measures department and confirming to IS:9281(Part-1 & 2)/1979, IS: 9281 (Part 3)/1981, IS 9281 (Part-4)/1983 (reaffirmed2006) and Details of specification as given below:-

1. Digital weighing scale displaying the measured weight in a digital format;
2. Lithium battery to be used for measuring and displaying the weight;
3. Measuring range: 0 to 120 Kilograms (Kegs);
4. Minimum Graduation/Resolution: 100 grams (g);
5. Accuracy: 100 g;
6. Reading time: 5 seconds;
7. All vital parts made of rust proof materials;
8. Packed in long lasting fabric bag put in a carton.
9. It should have tare feature;
10. It should have Anti-skid feature.

General Condition: All the items/models shall be duly approved by weights and measurement authority. The units offered for the supplies shall be duly calibrated as per the procedure of department of legal metrology.

**Subject: Provision of Smart Phone instead of Tablet to
Lady Supervisor under the POSHAN Abhiyaan - reg**

Sir/Madam,

This is in reference to this Ministry's letter No. NN/59/2017-CPMU dated 17th January, 2018 regarding specification of Smart Phone, Tablet and Power Bank under POSHAN Abhiyaan (erstwhile National Nutrition Mission).

2. In this regards, many states have highlighted the issues of performance of tablets. The issue discussed in the meeting of National Council on India's Nutrition Challenges on 18.04.2018 vide Agenda Item no. 04. The Council has endorsed and approved the Provision of Smart Phone instead of Tablet to Lady Supervisor under the POSHAN Abhiyaan. The copy of Minutes of Meeting of council is also available at <http://www.icds-wcd.nic.in/nnm/home.htm>

3. It is therefore, requested that this may please be taken on record for further necessary action.

Yours faithfully,

26/04/18

D. O. No. 29/3/2015-NNM

Date : 15th June, 2018

Dear *Radha,*

Please refer to my D.O. letter of No. 29/3/2015-NNM dated 16.04.2018 (copy enclosed) regarding procurement of Smart Phones, power bank and Growth Monitoring Devices {Infantometer, Stadiometer, Weighing Scale (Infant) and Weighing Scale (Mother and Child)} by the States/UTs under POSHAN Abhiyaan (National Nutrition Mission).

2. As you may be aware that roll-out of the POSHAN Abhiyaan in the States/UTs are monitored at the highest level. The timely procurement of the devices is the necessity for implementation of Information and Communication Technology enabled Real time Monitoring (ICT-RTM) of ICDS. States/UTs have been advised to procure all the devices through GeM portal only. The Specifications of smart phones, tablets, power bank and growth monitoring devices (Infantometer, Stadiometer, Weighing Scale-Infant and Weighing Scale-Mother and Child) have already been shared with GeM vide D.O. letter dated 23.02.2018 (copy enclosed). Now Tablet is not required.

3. GeM has created a separate link for POSHAN Abhiyaan devices for the States/UTs. On perusal of the devices available on the link, it has been observed that the devices shown on GeM Portal under POSHAN Abhiyaan category are not as per the MWCD's specifications and all devices of that particular category are being displayed. This defeats the very purpose of making a separate tab for the POSHAN Abhiyaan on GeM portal and is leading to confusion to the States/UTs. A copy of Screenshots enclosed for ready reference.

4. I would, therefore, request you to make necessary changes on GeM Portal and ensure that **only** the devices (Smart Phones, power bank and 4 Growth Monitoring Devices) **meeting the required specifications** are displayed under the POSHAN Abhiyaan tab.

With regards,

Yours sincerely,

(Rakesh Srivastava)

Date : 16.04.2018

Dear Radha,

Please refer to D.O. letter of even No. dated 23.02.2018 (copy enclosed) regarding procurement of Smart Phones, Tablets and power bank and Growth Monitoring Devices {Infantometer, Stadiometer, Weighing Scale (Infant) and Weighing Scale (Mother and Child)} for Aangwadi Workers and Lady Supervisors by the States/UTs under POSHAN Abhiyaan (National Nutrition Mission). The Standard Operating Procedure to be followed by the States/UTs have not yet been received.

2. As you may be aware that are aware that POSHAN Abhiyaan was launched by the Hon'ble Prime Minister on 8th March, 2018. The timely procurement of the devices is the necessity for implementation of Information and Communication Technology enabled Real time Monitoring (ICT-RTM) of ICDS. States/UTs have been advised to procure all the devices through GeM portal.

2. During the national workshop of POSHAN Abhiyaan on 20.03.2018, Shri S. Suresh Kumar, Additional-CEO, GeM made presentation regarding the process and informed that GeM training resources (manpower) in available in 20 States as on date, who will be specially instructed to hand hold the procurement process as part of POSHAN Abhiyaan in their respective States.

3. During the VC with States held on 10-13 April, 2018, most of the States have informed that they are facing problem in procurement of devices. The States/UTs need a Standard Operating Procedure detailing the availability of items under Category and process to be followed for procurement and a separate handhold training. The States/UTs have been informed that in case of any query they can contact Shri A. K. Kamra, ACEO, GeM at Tel No. 011-23341668 and email ak.kamra@gem.gov.in and other senior officers of GeM as listed on gem.gov.in.

4. I would therefore, request you to send a Standard Operating Procedure to be followed by the States/UTs detailing the availability of items under category and process to be followed for procurement and organise a separate handhold training in the respective States/UTs along with list of nodal officers. A quick response in this regard may be sent by 17.04.2018.

With regards,

Yours sincerely,

(Rakesh Srivastava)

Dear

Please refer to D.O. letter of even No. dated 23.02.2018 (copy enclosed) regarding procurement of Smart Phones, Tablets and power bank and Growth Monitoring Devices {Infantometer, Stadiometer, Weighing Scale (Infant) and Weighing Scale (Mother and Child)} for Aangwadi Workers and Lady Supervisors by the States/UTs under POSHAN Abhiyaan (National Nutrition Mission). The Standard Operating Procedure to be followed by the States/UTs have not yet been received.

2. As you may be aware that are aware that POSHAN Abhiyaan was launched by the Hon'ble Prime Minister on 8th March, 2018. The timely procurement of the devices is the necessity for implementation of Information and Communication Technology enabled Real time Monitoring (ICT-RTM) of ICDS. States/UTs have been advised to procure all the devices through GeM portal.

2. During the national workshop of POSHAN Abhiyaan on 20.03.2018, Shri S. Suresh Kumar, Additional-CEO, GeM made presentation regarding the process and informed that GeM training resources (manpower) in available in 20 States as on date, who will be specially instructed to hand hold the procurement process as part of POSHAN Abhiyaan in their respective States.

3. During the VC with States held on 10-13 April, 2018, most of the States have informed that they are facing problem in procurement of devices. The States/UTs need a Standard Operating Procedure detailing the availability of items under Category and process to be followed for procurement and a separate handhold training. The States/UTs have been informed that in case of any query they can contact Shri A. K. Kamra, ACEO, GeM at Tel No. 011-23341668 and email ak.kamra@gem.gov.in and other senior officers of GeM as listed on gem.gov.in.

4. I would therefore, request you to send a Standard Operating Procedure to be followed by the States/UTs detailing the availability of items under category and process to be followed for procurement and organise a separate handhold training in the respective States/UTs along with list of nodal officers. A quick response in this regard may be sent by 17.04.2018.

With regards,

Yours sincerely,
Sd/-

D. O. No. 29/3/2015-WBP

Dear Ms. Radha S. Chauhan,

As you are aware that Government of India has approved setting-up of National Nutrition Mission (NNM) with a three year budget of ₹ 9046.17 Crore commencing from 2017-18. The Mission is likely to be launched by the Hon'ble Prime Minister in first week of March, 2018. Information and Communication Technology enabled Real time Monitoring (ICT-RTM) is a major intervention in this Mission that intends to leverage the ICT for improving the ICDS Service Delivery System. Under this activity, there is provision for Procurement of Smart-phones & Tablets [including Power Banks] and Growth Monitoring Devices [Infantometer, Stadiometer, Weighing Scale (Infant) and Weighing Scale (Mother and Child)] for Aangwadi Workers and Lady Supervisors.

2. It has been decided that in order to ensure timely implementation and transparency, the procurement of Smart-phones, Tablets, Power Banks and Growth Monitoring Devices will be carried out through GeM portal, by States/UTs directly. Specifications of Smart-phones, Tablets, Power Bank and Growth Monitoring Devices (Infantometer, Stadiometer, Weighing Scale-Infant and Weighing Scale-Mother and Child) have already been shared with States/UTs vide letter dated 09.01.2017 and 17.01.2017 (copies enclosed).

3. During the orientation of NNM States some States/UTs have informed that they are facing problem for registration with GeM. It was decided during the VC that GeM should nominate nodal officers for assisting the States & UTs for procurement of devices. CEO-GeM has nominated Mr. Nirmal Kumar, Dy-CEO, GeM as 'Nodal Officer'. As there is huge procurement of devices by 36 States/UTs, it will be appropriate that GeM should nominate State/UTs-wise Nodal Officers.

4. In this regard, it is pertinent to mentioned here that a meeting with GeM team was held on 07.12.2017 (copy of Minutes enclosed) in which it was decided that all the devices will be procured directly by the States/UTs through GeM and GeM will share the detailed Standard Operating Procedure (SOP) to be followed by the States/UTs and will facilitate necessary training/support to all the States/UTs for procurement through GeM. However, no response has been received from the GeM.

5. I would therefore, request you to nominate State/UT-wise Nodal Officers and share the detailed Standard Operating Procedure (SOP) to be followed by the States/UTs and also facilitate necessary training/support.

With regards.

Yours sincerely,
Rajesh Kumar

List of State Government Officers in charge of GeM... (15kB)

Updated List of Resource Persons of GeM.docx (15kB)

Dear Sir,

Please refer to your d.o. letter no. 29/3/2015-NNM dated 16/4/2018 regarding procurement of various items for POSHAN Abhiyaan. I am happy to inform that based on the technical specifications communicated by Ministry of Women & Child Development, Government e-Marketplace (GeM) has created the product categories for smart phones, tablets, power bank and growth monitoring devices (infantometer, stadiometer, weighing scales etc.). These products are now available in GeM for procurement.

Based on the discussions in the National Workshop held on 20th March 2018, we have communicated the list of State Government Nodal Officers in-charge of GeM and the GeM training resources deployed by GeM in 22 states/UTs. (List enclosed for information). For any issues pertaining to the procurement of goods and services by the State agencies they can contact the State Government nodal officer. GeM training resources available in the 22 States/UTs are already directed to organise training programmes for the women and child welfare department staff on request officers concerned. The Standard Operating Procedure (SoP) to be followed for various modes of procurement in GeM including bidding is already available in the portal. There is no separate SoP for procurement of the above items as GeM is a generic procurement portal with standardised procedures for all activities.

I would also like to draw your attention to the Rule 149 of GFR, governing procurement through GeM wherein the procuring authorities shall follow all the guidelines prescribed by government. While GeM can enable the availability of various items required by the user departments as per the prescribed technical parameters, the procuring authorities shall take responsibilities for reasonability of rates and compliance of the technical parameters as prescribed by the Ministry. The nodal officer from WCD may be asked to coordinate with Mr. Kamara ACEO for any clarification and further guidance.

With regards,

Yours sincerely,

S Suresh Kumar, IAS

Addl. CEO GeM
