# HCM Supply Chain

- The SHG/Women's Societies are selected through advertisement by the District Committee under the Chairmanship of the District Collector.
- They are allotted Wheat & Rice at subsidized rates under the Wheat Based Nutrition Program (WBNP)
- Other ingredients needed for providing HCM and morning snacks are procured from the local market by the SHG/Women's Society

# HCM Supply Chain Flow Chart

- 
- Wheat & Rice Allocation orders are received from Govt. of India
  - Allocation Orders per district are issued by the Commissioner ICDS office
  - The District Program Officer then allots them to each ICDS project
  - The Child Development Project Officer then issues the allotment order to the SHG/Women's Societies
  - The SHG/Women's Societies then lift the allotted Wheat & Rice from the FCI Godown or the FPS as per local condition

## (B)Take Home Ration

# THR Supply Chain

- The State Consumer Federation has its own tender system of contracting work to women's groups
- The wheat and rice lifted from the FCI are cleaned and packed at the Godowns of the Consumer Federation
- The CDPOs give demand for THR to the Consumer Federation for every two months period or 50 days @ 25days per month
- The separately packaged dry ration are then supplied across the state to all the AWCs by the Consumer Federation
- AWWs distribute the THR packets to the registered beneficiaries and record on ICDS-CAS

# Beneficiaries who received services under Supplementary Nutrition THR
