

Construction of Anganwadi Centres

- Since 2015, MGNREGS and ICDS have converged to construct *Anganwadi Centres*
- The designs / specifications issued by the Ministry of Women and Child Development are adhered to in the construction of these Anganwadi Centres.
- As per convergence guidelines, the construction cost of AWC is shared between MGNREGS (upto Rs. 5.00 lakh) and the Integrated Child Development Scheme (ICDS) (Rs. 2.00 lakh).

DAY-NRLM contributes in 5 different ways

Women's Empowerment

- The Mission promotes strong institutions of the rural poor women, provide intensive capacity building and handholding support
- 4.6 crore women have been mobilized into 39.7 lakh SHGs

Agriculture and Animal Husbandry

- Promotion of diversified agriculture, value chain initiatives and sectoral interventions for e.g. goatery, piggery etc. has been initiated in multiple States
- MoU has been signed with Ministry of Agriculture and Animal Husbandary

Vulnerability Reduction Fund

- VRF is provided to VOs to support families in need of food/medical-care/other vulnerabilities.
- *E.g. In Bihar, about 20,000 VOs have received nearly 200 Crores - 23.7 lakh SHG members have benefited by using the fund for food security and medical expenditure*

Behaviour Change Communication

- SHG & VO platform can be effectively used to promote necessary behaviour change
- *E.g. Immunization coverage in Uttar Dinajpur (UP) increased from 53% in December 2015 to > 90% in December 2017*

Mobilization and Demand Generation

- The Mission facilitates SHG members in accessing their entitlements, for e.g., Health and ICDS Services.
- *E.g. In Jharkhand 6152 VOs across 200 Blocks have been oriented on services available during the VHSND*

Key Message

- **Reach out to MoRD for**
 - Construction of Aaganwadis
 - Leveraging the social capital of women SHGs for promoting Behaviour change
