OFFICE MEMORANDUM

**Subject: Universal Anganwadi Services – facility of migration on Poshan Tracker -
regarding**

Universal access to Anganwadi Services ensures that no beneficiary, who migrates or whose family migrates from one State to another or within a State is deprived of access to key services delivered through Anganwadis. This is critical especially for migrant and seasonal workers where there is a possibility of a beneficiary dropping out of the Anganwadi system. Universalization of services implies that a beneficiary enrolled at any Anganwadi Centre across the country will be able to avail of the same services at any other centre in another district of the same state or in a different State, by citing Aadhar-enabled registration details available on the Poshan Tracker.

2. To facilitate the same, a module on 'migration' is available and functional on Poshan Tracker. Using the same, beneficiary details can be accessed by the Anganwadi Centre, where the beneficiary migrated to, by using the beneficiary's Aadhar details. The Anganwadi Worker of the Centre, where the beneficiary migrated to, can pull the data of the beneficiary to its own data-base by using the migration module. A detailed flowchart of the Migration module is enclosed for further dissemination to the Anganwadi workers. Appropriate measures for dissemination of this facility among the beneficiaries of the program through various means (including digital media) must be taken.

3. This issues with the approval of the Competent Authority.

Encl: As above.

(Reshma Reghunathan Nair)
Deputy Secretary to the Government of India
