Para No.	Further Comments of the committee	Action taken
2.10 & 2.11	<p>Pace of implementation of the Scheme of Women Helpline, Swadhar Greh, Ujjawala and Working Women Hostels needs to be increases. As per the information made available by the Ministry, during the last three years, only 48199 and 18525 women have benefitted under Swadhar Greh and Ujjawala Scheme and 72288 women have taken benefit of WWH Scheme. Perhaps people are not aware of the schemes of the Ministry. The Committee desires that wide publicity should be given to these schemes so that more and more women in need may take benefit of the schemes meant for them. The Committee also finds that the second instalment of the grant for the year 2017-18 could not be released to the States/Union Territory Administration under the Swadhar Greh and Ujjawala Scheme due to non-receipt of utilization certificates and statement of expenditure from them. The Committee feels that this indicates benefits not reaching to the intended beneficiaries. Accordingly, the Committee desires that the Ministry pursue the matter with the State/Union Territory Administration vigorously so that financial timelines are adhered to.</p>	<p>Under Ujjawala Scheme guidelines, State Governments are required to raise awareness about availability of Ujjawala projects under monitoring and IEC (Information Education and Communication) activities, target group of beneficiaries and various facilities provided there under. Each implementing agency also disseminates information about the Ujjawala project to the people through various available modes. State Governments/Union Territories Administrations are regularly contacted over telephone, e-mails and letters to furnish the required documents for further release of grant. Till now, grant has been released to State Governments of Chhattisgarh, Manipur, Mizoram, Nagaland, Tamil Nadu and Telangana. Funds have been revalidated to the State Government of Assam, Chhattisgarh, Kerala and Maharashtra for utilization during the period 2018-19. Funds have also been sanctioned for new projects in Manipur.</p>
