Sub: Invitation of Research Proposals for the year 2017-18 -regarding

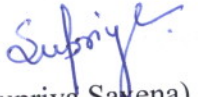

Ministry of Women & Child Development invites Research proposals on the following prospective areas of research for giving Grant-in-Aid under the Research, Publication and Monitoring Scheme of the Ministry for the year 2017-18.

- i) Mapping and quantifying the value of unpaid work by women in India
- ii) Gender based wage inequalities in the formal and informal sector
- iii) Women's contribution to farm based economies and their access to land rights
- iv) Understanding women's access to inherited property
- v) Understanding the gaps in women's access to family planning choice
- vi) Evaluating the unequal burden of family planning on women
- vii) Understanding gender inequality on campuses

Universities and Voluntary Organizations/NGO's registered under NITI Aayog NGO PS Darpan portal are invited to kindly submit their proposals on the above research areas by 31st July 2017 with all necessary documents to be submitted along with the proposal as per the guidelines of the Research Scheme of the Ministry available in the Ministry's website with the link as <http://wcd.nic.in/schemes/grant-aid-research-publication-and-monitoring>.

The proposals can be sent through e-mail to Ms. Supriya Saxena, Assistant Director (Research), MWCD at her email id: supriya.saxena@gov.in.

This issues with the approval of competent authority.

(Supriya Saxena)
Assistant Director (Research)
