Sir,

I am directed to say that the Government of India has sanctioned a non-recurring grant of Rs. 1,72,50,000/- (Rupees One Crore Seventy Two Lacs Fifty Thousand only) as Central Government's share for construction of a Working Women's Hostel for **100 working women** and Day Care Centre for **30 children** at **Madanaplem Village in Satyavedu Mandal in Chittoor District, Andhra Pradesh**. The grant for construction of hostel building represents 75% of the total estimated cost of Rs. 2,30,00,000/- (Rupees Two Crore Thirty Lakh only) as admitted for construction of the working women's hostel subject to the condition that in case the actual expenditure on this project is less than the estimated cost, 75% of the difference between the estimated cost and the actual expenditure is required to be refunded by the organization to the Ministry.

2. I am, accordingly, to convey the sanction of the President to the payment to **A.P. Women's Co-operative Finance Corporation Limited, Hyderabad** of a sum of **Rs. 69,00,000/- (Rs. Sixty Nine Lacs only)** being the **second instalment** of the grant for the construction of the building which will be used as a hostel for working women. The construction of the Hostel is required to be completed in 24 months from the date of sanction of the first instalment.

3. The grant shall be subject to further terms and conditions as laid down in the scheme. The organization will furnish audited accounts for utilization of the amount of this instalment along with agency's share within six months of the receipt of this grant. However, in default the amount would be recovered as arrears of land revenue.

4. The accounts for the above grants will be subject to test check by the Comptroller & Auditor General or his/her representative and internal audit by the PAO of the Ministry whenever the institution or organization is called upon to do so.

5. It may be ensured that the funds earlier released have been effectively utilised and that the data and facts reported by the organisation relating to physical and financial performance are correct. The organisation should have the capacity to actually spend the balance from the previous years and the releases during the current year.
