Dear Chief Secretary,

As you are aware, the Anganwadi Services under the Umbrella ICDS Scheme provides a package of six services which inter alia includes Supplementary Nutrition. The beneficiaries comprise of children below six years of age, pregnant women and lactating mothers. The Scheme is being implemented through the States/UTs on a cost sharing basis in the ratio of 50:50 for SNP and 60:40 for other components between Centre and States (90:10 for North Eastern and Himalayan States and 100% for UTs).

2. The provision of Supplementary Nutrition to the beneficiaries under the Anganwadi Services is a legal entitlement as per The National Food Security Act (NFSA), 2013 (Sections 4, 5, 6 and 7 of the said Act are relevant in this regard). The nutritional standards have been specified in Schedule II of the said Act is at Annexure-I.

3. Ministry of Women & Child Development has been facilitating the provision of foodgrains in convergence with the Department of Food in accordance with Section 22(3) of the said Act at prices specified for the persons belonging to eligible households in Schedule I. The said Act further provides that it shall be the responsibility of the State Government to take delivery of foodgrains from the designated depots of the Central Government in the State and ensure actual delivery of entitled benefits as specified in the Act.

4. Further, as per Section 24 (1) of the said Act, the State Governments are also responsible for implementation and monitoring of the Scheme in accordance with guidelines issued by the Central Government for each Scheme, and their own Schemes, for ensuring food security to the targeted beneficiaries in their State.

5. Section 8 of the said Act provides that in case of non-supply of the entitled quantities of food grains or meals to entitled persons, such persons shall be entitled to receive such food security allowance from the concerned State Government to be paid to each person, within such time and manner as may be prescribed by the Central Government.

6. As per Section 39 of The NFSA, 2013, MWCD had notified Supplementary Nutrition Rules on 20.02.2017. Rule-9 inter-alia provides that the respective State Governments and UT Administrations shall be responsible to monitor and review the status of arrangement for Supplementary Nutrition, ensure regular supply of Supplementary Nutrition at Anganwadi Centres without disruptions and method of delivery of supplementary food at Anganwadi Centres, engagement of Self-Help Groups, ensure supply and quality of Supplementary Nutrition through them. As per the Rules, Supplementary Nutrition is to be provided to the beneficiaries for 300 days in a year.
7. The cost norms of Supplementary Nutrition Programme (SNP) per day/beneficiary were last revised in October, 2017 as per the details at Annexure-II. The details of funds released to all States/UTs for the FY 2018-19 and FY 2019-20 are at Annexure-III.

8. The above provisions make it mandatory for the States/UTs to implement the SNP under the Anganwadi Services to the beneficiaries as per the NFSA, 2013 & Supplementary Nutrition Rules, 2017, etc.

9. In spite of the mandatory provisions mentioned above and timely release of funds by the Central Government, the implementation of the Supplementary Nutrition component under Anganwadi Services Scheme has not been found to be satisfactory in some States. This is evident from households survey conducted by an independent agency on behalf of NITI Aayog in 27 Aspirational Districts in 8 States.

10. Some of the major findings of the survey are as follows:

- Out of 78% of pregnant women & lactating mothers (PW&LM) and 69% of children in the age group of 7-36 months reported to be registered for Anganwadi Services/ICDS Scheme, only 46% of the PW&LM and 35% of the children were reported receiving any Take Home Ration (THR);
- The supply of THR received by PW&LM and children lasted for an average of 13 days and 12 days respectively against a requirement of 25 days;

11. Considering the seriousness of the situation, I would request your personal intervention in this matter and urge you to review the implementation of the Supplementary Nutrition component under Anganwadi Services with the concerned officials and take remedial measures, if required. I shall be grateful if a report on the actions taken by the State Government/Union Territory Administration on key issues at Annexure-IV on the above matter is sent within a month.

With regards,

Your sincerely,

(Rabindra Panwar)
