

The World Breastfeeding Week 2013 was observed from 1st -7th August, 2013 on the global theme of "**Breastfeeding Support: Close to Mothers**" by FNB field units throughout the country. The FNB headquarters supported the celebration by providing background information and necessary guidance to all the field units and Regional offices with a view to disseminate the importance of breast-feeding. State level symposia in 29 States/UTs, orientation training on infant and young child feeding, awareness generation camps and community meetings were organized by the FNB field units throughout the country.
